National Stroke

Awareness Month

May is National Stroke Awareness Month. It is a time to educate and spread awareness about stroke prevention, symptom recognition and recovery. For every minute that brain cells are deprived of oxygen during stroke, the likelihood of brain damage increases. By knowing the symptoms you can Act F.A.S.T. and "Save a Life."

THIS MONTH'S

SPEAKER: A representative from the Midtown Assistance Center will be our guest speaker this month. The mission of the Midtown Assistance Center is to provide emergency assistance to the working poor during times of crisis.

New Officers:

Shirene Daniels, 2nd Vice-President of the Georgia Federation of Women's Clubs will be installing the new officers at our May 12th meeting.

If you think someone may be having a stroke, Act F.A.S.T. and do this simple test:

Act F.A.S.T.	
Face	Ask the person to smile. Does one side of the face droop?
Arms	Ask the person to raise both arms. Does one arm drift downward?
Speech	Ask the person to repeat a simple sentence. Are the words slurred? Can he/she repeat the sentence correctly?
Time	If the person shows any of these symptoms, time is important. Call 911 or get to the hospital fast. Brain cells are dying.

Call 9-1-1 immediately if you have any of these symptoms:

- Sudden numbness or weakness of face, arm or leg - especially on one side of the body; Sudden confusion, trouble speaking or understanding;
- Sudden trouble seeing in one or both eyes;
- Sudden trouble walking, dizziness, loss of balance or coordination; or
- Sudden severe headache with no known cause.

Donations Needed:

Home Life would like to have a large box filled with items from its wish list to present at the meeting. If you have the opportunity while shopping to pick up the following items and bring to the meeting, it would be appreciated:

- Toilet paper
- Toothpaste (Freshmint)
- Disposable Razors
- Canned Fruit
- Canned Tuna

National Nurses Day is

May 12, the birthday of Florence Nightingale, the founder of modern nursing. Nurses are dedicated individuals. Many of our members are nurses and have served in positions from staff nursing to educators. If you have not spoken with a friend who is a nurse lately, give her/him a call to see how they are doing.

2008 Members Tea & Open House

On April 20th, the Wimbish Mansion was open for high tea. Reba Morrison, our Tea & Socials chair, with the help of Chef Jeff of the Opera Club (next door) pulled together a delightful event.
