The Orion School Thanks The Atlanta Women's Club!

The Orion School relies on a variety of community partners to meet our program goals each year. Our tuition is not entirely reflective of the true cost of the special education we offer each students and support we offer each family.

and has donated much appreciated curriculum supplies to The Orion School. The Atlanta Women's Club is a century old non-profit club located in the heart of Midtown. The Club resides in historical Wimbish Mansion which can be rented for events. All income received supports the club's mission to improve the community by supporting many charitable organizations; including The Orion School!
