PRESIDENT'S MESSAGE

Clubwomen,

It is hard to believe two years have passed since becoming president of our club. It has been a privilege and honor to serve you. This is my final message in that capacity and I'd like to reflect on some of our accomplishments.

Membership has increased by 25%. Because of this, a procedures manual was written that is used as a guide for community service program, special projects, and other committees. Our internet presence has increased. The social media sites are regularly updated. Members are able to visit our club's website and view the calendar of events and if we would like, we can register at the site. If that is not enough we are reminded of upcoming events with an email blast entitled "Club Weekly" sent each Monday morning.

All of these communications tools are necessary because we are spending more time volunteering in our community. We happily work along side each other, and the public knows us by the AWC's blue t-shirts most of us wear. When the t-shirts are not appropriate, as is the case when we enthusiastically volunteer to "A Seeded Events," our members proudly display the Atlanta Woman's Club name tag. In 2015, we celebrated our 120th anniversary, and we went all out with various activities, including banners along Peachtree Street between 10th and 14th streets.

As I close, let me thank the Board of Trustees for its support. I would also like to thank the Executive Board. Also like to thank our CSP chairmen, along with other committee chairmen, you went beyond anyone's expectations. Thank you to the communications team for keeping us informed, and the members events and social engagement committee for planning activities, the writers alliance for their support of each other and people who just dropped in for guidance and to our ESO group for the wonderful selection of books and evenings spent discussing each book.

Thank you to anyone who has offered support by critiquing me, offering a warm smile or just listening, it was all taken to heart. And, to the membership you were a definite part of our busy 24 months, we are a better club because of you. Your commitment and passion to our club's mission has been evident. Finally, allow me the opportunity to thank my friends and family, especially my husband, who is the wind beneath my wings.

I am excited about us continuing to work together, and I look forward to our new administration under the leadership of our incoming president Cimi Douglass.

LEADERSHIP QUOTE OF THE MONTH

“Twenty years from now you will be more disappointed by the things that you didn't do, so throw off the bowlines, sail away from safe harbor and catch the trade winds in your sails. Explore. Dream. Discover.”

-Mark Twain

A SEEDED EVENT

The Atlanta Woman's Club will be hosting several upcoming fundraising events as part of the Seeded Event Program. On April 28, 2016, the Atlanta Woman's Club will host a fundraising event for Bettie Brand Mother's Empowerment Fund. On May 7, 2016, the Atlanta Woman's Club will host Pas de Chavel. At Pas de Cheval, guests will enjoy complimentary mint juleps and whiskey tastings. Additionally, Pas de Cheval will feature a silent auction, wine pull, and horse race raffle. Come See the Run for the Roses live-streamed from the track as you support the beauty and accessibility of dance by purchasing tickets at the following link: <http://conta.cc/1U9qFqO>. The Seeded Event committee is compiling a list of names for members interested in volunteering for an upcoming event. If you would like to volunteer, you may contact tonyaswatson@gmail.com or a member of the Seeded Event committee.

EDUCATION

Thomasville Heights Media Center Receives Special Book Donation

Barbara Culmer-Ilaw and her daughter, Karen Phillips, recently did some book shopping at the Bank Street Bookstore in New York City. This bookstore is associated with the Bank Street College of Education and carries books for children of all ages and interests. The 39 books they selected were donated to GFWC AWC and GFWC book labels with a special notation indicating the source of the donation were placed in each book. Barbara Culmer-Ilaw, Judine Heard, and Ruth Yurchuck delivered the books to the school on Wednesday, April 13, on behalf of the AWC Education CSP. (Donna Foland was unable to attend because of prior commitments.) The principal, Mrs. Cynthia Jewell, and the media coordination, Mrs. Couch, were delighted to receive these books which will greatly enhance their library holdings. There was also time to talk about the future of this school, which is one that will be taken over by a charter school organization this fall. Mrs. Jewell will not be part of this new operation, and she hopes that the students will continue to improve academically, as they have done under her tenure. It is unclear at this time whether GFWC AWC will be allowed to continue working with the Thomasville Heights students under the charter school administration.

VOLUNTEERS NEEDED FOR HOBY

Volunteers Needed for HOBY Leadership Conference at Berry College in Rome, Georgia.

Contact Cimi Douglass at cimi.douglass@gmail.com or 678-467-1922

What is HOBY? – Founded in 1958, HOBY's mission is to inspire and develop our global community of youth and volunteers to a life dedicated to leadership, service and innovation. HOBY is also a GFWC Ga. Partner (Education) and GFWC GA encourages our participation.

For over five decades, Hugh O'Brian Youth Leadership (HOBY) has inspired young people to make a difference and become catalysts for positive change in their home, school, workplace, and community. As America's foremost youth leadership organization, HOBY has a long and impressive history of successfully motivating youth and volunteers to outstanding leadership. HOBY aims to inspire and develop our global community of youth & volunteers to a life dedicated to leadership, service, and innovation.

HOBY programs are conducted annually throughout the United States, serving local and international high school students. The programs provide students selected by their schools to participate in unique leadership training, service-learning and motivation-building experiences. HOBY's flagship program, the State Leadership Seminar is designed to help high school sophomores to recognize their leadership talents and apply them to become effective, ethical leaders in their home, school, workplace and community.

Students explore their own personal leadership skills while learning how to lead others and make a positive impact in their community.

They Need Our Help at the Upcoming Leadership Conference at Berry College.

HOBY is asking for assistance on Friday, June 10th - they need help with registration – if you want to help with registration; you will need to be at the school early on Friday morning. The HOBY leaders will give you a brief run-down of what is needed at the check in tables. This job is very necessary to get the students to where they are supposed to be. This job will require about 2 - 3 hours on Friday morning. Last year the registration volunteers had to be at the tables at 8:00 AM. I don't have the exact time yet, but will let everyone know more details when you sign up.

If you would like to sponsor a student to attend, sponsorships are between \$175.00 - \$200.00, depending on the number of students you sponsor.

Food, meals and snacks are always welcome! The facilitators as well as the students will eat almost anything! If you decide not to make the trip up, consider sending a gift card to Walmart, Kroger or etc. We are always making runs to the store.

So far our President, Judine Heard, Billie Harris, and Karen Clydesdale have volunteered to assist with registration. If anyone else is interested, please let me know.
