### PRESIDENT'S MESSAGE

Hello Spring! I simply love this time of the year! Spring brings new life into the world around us as the trees and flowers begin to bloom. I love waking up to the chirping of the birds in the early morning and am energized and inspired to begin a new season in my life. Spring is a hopeful season as it brings transformation and change as we transform from darkness to light, from cold to warm weather, from grey to vibrant bursts of color. It also brings us new beginnings, and offers us a bright, colorful new look which are hopeful signs that life on this earth renews again and again. We don't and shouldn't remain in any one season or cycle in life indefinitely. How boring would that be? Our seasons change and so should we as we look for opportunities for growth in our own personal lives, possibly adding a bit of color to our wardrobe, stepping out of our comfort zone to learn new things or experience new adventures.

This season our club celebrates new beginnings by welcoming our newly elected Board of Trustee officers, Karen Thomson and Lisa Banes. In March our general membership elected Karen and Lisa to serve another term on the BOT – their willingness to serve, input and guidance is very much appreciated. Thank you to all voting members and thank you Karen and Lisa for agreeing to work with us again.

This season our club embraced growth as we hosted our Annual Membership Spring Tea. Our members definitely added color to their wardrobes as we enjoyed our friendships with old and new friends over a cup of tea in an attempt to grow our Club. I have received notes

## PRESIDENT'S MESSAGE CONT'D

and emails from guests and members thanking us for our warm hospitality. Our 1<sup>st</sup> Vice President, Tonya Watson has been a busy little bee answering emails and accepting applications from prospective members.

This season, our CSP Chairs are persistent in providing our members opportunities to experience new adventures by creating service opportunities that are inspiring and rewarding. In late March, early April, we volunteered at the Ronald McDonald House, Hillside Hospital, drawchange, walked in the Georgia Coalition Against Domestic Violence Empowerment Walk on April 30<sup>th</sup>, and last, but certainly not least, attended the GFWC Georgia 2017 Convention at the Atlanta Marriott Century Center April 27<sup>th</sup>-30<sup>th</sup>.

In addition to our service opportunities, our Committee Chairs invite you to learn new things as we offer our members educational experiences. This month our wonderful committee chairs are organizing private tours of the African American Grave Sites at Historic Oakland Cemetery, private Tour SCAD's Ivy Hall - Wimbish House's historical neighbor, and a private bus tour of the Atlanta Beltline Project .

As always, our club consistently evolves and changes for the better. At our May meeting we will propose updates to our Bylaws and Budget for the upcoming fiscal year. Please review the attached proposed bylaw changes as we will review them at the meeting.

As you know our mission is to encourage our members to engage in activities that benefit the community, but we also want to inspire all of you to feel hopeful about starting anew; doing something different, making a change, trying again, persisting, and believing something light and colorful is ahead for you!

Spring, a lovely reminder of how beautiful change can be – Enjoy it!

## CONSERVATION

### **International World Peace Rose Garden at MLK Jr. National Park**

The "I have a Dream World Peace Rose Garden," 25<sup>th</sup> Anniversary Celebration will be held on Thursday May 11, 2017 from 11:30 AM -2:00 PM at MLK Jr. National Historic Site located at 450 Auburn Ave NE, Atlanta, Ga 30312.

This is an inspirational event where 30 student finalists, from all over the world, read their 35 words or less messages about peace with others or their environment; a remembrance of Martin Luther King, Jr. and/or Coretta Scott King; or the special meaning of the World Peace Rose Garden and unveil their engraved plaques in the World Peace Rose Garden.

This will be third year AWC has had the honor of participating in this wonderful celebration. AWC provides the medallions and refreshments for this event in addition to maintaining the rose garden. Volunteers will be needed again this year. Volunteers assist in the following ways: registering award winners; ushering award winners to the award ceremony held in the historic Ebenezer Church and with refreshments after the unveiling of the award winning plaques.

The Inspirational Messages of Peace Contest was created in 1993 by Sylvia Villalobos and TJ David aka The Rose Man. Students range in age from Kindergarten - 11<sup>th</sup> grades. More than 12,000 students participated in the contest from the Atlanta area & California in the United States, and from India, Gaza, Mexico and China. Contact Karen Johnson [GoodmoviesEnt@aol.com](mailto:GoodmoviesEnt@aol.com) or Penny Blackford [blackfordp@bellsouth.net](mailto:blackfordp@bellsouth.net) to attend and or volunteer.

### **The Chattahoochee Nature Center**

The Chattahoochee Nature Center is again hosting the annual Butterfly Festival on Saturday June 3 and Sunday, June 4. Conservation volunteers at this event every summer and we always have a lot of fun painting the faces of children who attend the festival. This year we need 6 AWC volunteers to face paint on Sunday June 4 from noon to 5 pm.

The Nature Center will provide us with a light lunch and will have some snacks and water available for all day. Plan to wear cool clothing, and bring sunscreen and a hat. There will be a variety of other activities that day for children to teach them about butterflies and conservation so please tell you friends and family about the event!
