Speaking of hats, let's not forget our tea is April 12. If you have not informed the committee of your intentions, please do so immediately.

Finally, don't forget the GFWC Georgia State convention from May 1 - May 3 in Macon. If you plan to attend and have not made me aware of it, please let me know. I'll compile a list of members attending and send it to those members by April 20. If you have a healthy recipe or healthy tip and would like it to be considered in our state president's handbook, please send to president@atlwc.org by April 28th, 2015. Only one item/recipe per club will be published submitted.

LEADERSHIP QUOTE OF THE MONTH

"Leadership is intangible, hard to measure and difficult to describe...it must include a measure of inherent ability to control and direct self confidence based upon expert knowledge, initiative, loyalty, pride and sense of responsibility. Inherent ability cannot be instilled but that which is latent or dormant can be developed. They are not easily learned. But leaders can be and are made." -Unknown

ESO BOOK CLUB

Our March 30th Book Club meeting hosted at Karen Clydesdale's beautiful home with author Karen White was truly inspiring. For all who were fortunate to be present, we were touched by Karen Clydesdale's warm hospitality and wonderful southern dinner including desserts by Karen and Penny. Karen White was very open and friendly. She shared her life as a writer and we all enjoyed discussing her book *A Long Time Gone*. Friendship, conversation, learning..., our Atlanta Woman's Book Club has become a strong and vibrant community. Thank you - everyone - for all you do that help make our book club evenings even better each time. Our next meeting will be May 18. Please mark your calendars. We will host John Cressler, a professor at Georgia Tech who has written a book on interfaith: *The Emeralds of Alhambra*. I will send information about how to purchase John's book after Easter.

Formal Orientations was well attended! Thank you!!

The Membership Committee hosted two formal orientations which was attended by a total of 26 members. Thank you to all that attended and a huge thank you to our President, Judine Heard, 2nd VP Ellen Milholland, and BOT President, Karen Bacheller for lending us their time, knowledge and expertise to our group. For those who wish to learn more detailed information about leadership information, committees and GFWC reporting this will be a Level 2 orientation, we plan to host another event on May 15th

Membership – Speed Dating with our CSP’s! Our Members went Speed Dating on March 19th and had a great time in spite of the ugly weather. On the night of the event, each CSP station had specific colored balloons at their tables. When members and guests arrived, everyone was given a specific colored Compass with an inspiring note “Life is like a compass. When you set your goals correctly, it will take you to the right direction.” After the Membership Chair welcomed guests and members, instructions regarding the Speed Dating format were given. Members and guests were instructed to report to the CSP table that matched the color of their Compass when she rang the bell. Once everyone reported to their first station the CSP’s flew into action to pitch their program, discussed their projects and initiatives, and answered questions. After 5 minutes, our 2nd VP of Programs, Ellen Milholland took great pleasure in ringing the bell rang and the groups moved to the next station.

This was a wonderful educational opportunity for both our members, guests and CSPS chairs. Our Chairs were able to practice their pitch and talk with our members and newer members. And our guests and newer members had the opportunity to talk to CSP chairs to learn about what they do, who they support and how they can get more involved. A fun time was had by all!

There are many ladies I’d like to thank: Arts: JoDee Gonzalez & Rita McGregor; Education: Donna Foland & Kedra Gotel; Representing Conservation: Penny Blackford; Representing Public Issues: Judith Behrens; Representing Home Life: Miss Betty Daniels; and International Outreach, Pat Walsh. Thank you to Ellen Milholland, without our conversation after an orientation meeting discussing how to get more members involved and her comment that we should do something similar to Speed Dating – that’s all it took. Great idea Ellen, thank you! And last but not least, I would like to thank Judine Heard, Karen Bacheller and Karen Clydesdale for their support and Karen C’s special touch with the floral décor.

New Member Service Event at Gigi’s Playhouse

Our rescheduled New Member Service event at Gigi’s took place on March 28th. GiGi’s Playhouse is an established series of Down Syndrome Achievement Centers. Serving children and adults of all ages, each Playhouse provides educational and therapeutic programs at no charge to families; and in a format that individuals with Down syndrome learn best. All programs aim to maximize self-confidence and empower individuals to achieve their greatest potential. Our members will assist and work with the children on the featured lesson of the day. We are very fortunate to have beautiful opportunities to learn more about local charities and to assist them with hands on projects in addition to our financial contributions. My sincerest thank you goes to new member, Connie Morris who organized this activity for the Membership Committee. Team work makes the dream work.

PUBLIC ISSUES

Beth Jetha, CSP Co-Chair
Judith Behrens, CSP Co-Chair

My co-chair, Judith Behrens, and I are proud to report that the Atlanta Woman's Club has successfully supported several good causes through the Public Issues Community Service Program Committee during this current fiscal year that ends this month.

Through our donations of Club funds and member volunteer time, these are the organizations you have helped: the Georgia Justice Project, the Child Sex Trafficking Division of Georgia Cares, Youth Spark, the Wounded Warrior Project, the local Georgia Chapter of Pets for Vets Inc., the USO's United Through Reading Military Program, and the National Crime Prevention Council.

With your continued participation, the Public Issues CSP Committee will, during the next fiscal year, again seek out volunteer opportunities and support organizations that are indispensable to the community.

HOME LIFE

Carol Boaz, CSP Co-Chair

Betty Daniels, CSP Co-Chair

Our club is so fortunate to have our beautiful house to rent out and have funds from our budget designated for each CSP to donate to charities. The Home Life Chair, Carol Boaz, has been busy requesting checks for donations to 22 charities before the next fiscal year begins. There are so many worthwhile agencies that can use help. Deciding on a few was a wonderful task. It is fun to give away money. Both Betty Daniels and Carol attended the 5th District meeting on March 19 and watch the Atlanta Woman's Club receive certificates of recognition. Never-mind that we are the only club with over 100 members, we make a difference in the community! Betty Daniels also participated in Cimi's "Speed dating" orientation to the CSP programs. I hope it sparked an interest in all AWC has to offer.

The sponsored activities for March were The Hunger Walk for the Atlanta Community Food Bank and Phoenix Flies. Upcoming events will be In May with serving dinner at the Ronald McDonald House and the Special Olympics. Sign-up sheets will be available at the next meeting.

TALLULAH FALLS SCHOOL

Lucy Willard, Committee Chair

On March 26, eighteen members of Atlanta Woman's Club visited Tallulah Falls School. They had a delightful time. Members toured the campus, lunched and concluded with tea at President and Mrs. Peevy's home at which time they were updated on the latest school projects.

ARTS

Rita McGregor, CSP Co-Chair
JoDee Gonzales, CSP Co-Chair

On April 14, 2015, the Arts CSP will sponsor the Tour of the Atlanta Hartsfield-Jackson International Airport's permanent art collection. This tour has been re-scheduled from a previous date that we were unable to work out due to inclement weather. Because we will be touring behind the security gates, it is required that we send our birth dates so that the officials will be able to check for security clearance. They need extra time for that process, so if you would still like to sign up to attend, please do so no later than March 27, 2015. We will tour the exhibit from 10:30- 12:30 p.m. and plan to wrap up with a quick lunch at the airport. All attendees should plan to meet at the Wimbish House at 9:30 AM to carpool to the airport unless you plan to drive yourself there and back. If so, please notify your CSP Co-Chairs. The tour will begin in the Atrium of the main terminal, move through the T Gate installations and then end at the "Walk through Atlanta History".

The Atlanta Symphony Associates 45th Annual Decorators' Show House and Gardens is in need of volunteer docents to lead tours and provide information to Show House guests as they visit this venue. We are planning as a club group to manage shifts on Friday, April 24 in the morning (9:30-12:45) and afternoon (12:15-3:30). We have had several sign up for these shifts and they have been reported to the Show House representatives. If you have not signed up and would still like to sign up, we have extended the deadline to sign up until Friday, March 27, 2015. Also, several have indicated they would like to volunteer but cannot do so during the week, so we have also added a morning (9:30-12:45) and afternoon (12:15-3:30) shift on Saturday (4/25)-, and a Sunday afternoon shift (12:30-4:30) on 4/26. The Show House is located at 4701 Northside Drive, "Chateau Soleil" and was designed by architect William T. Baker and built in 1998

on two beautifully landscaped acres. Please contact your Arts CSP Co-Chairs if you would like to add your name to the list for any of the times indicated.

Congratulations to the winners of our Arts Contests recently judged at the 5th District meeting. For painting on canvas, first place was awarded to Ginger Foshee and second place to Billie Harris. Ginger also won first place for her painting on wood entry. Anita Jansen won first place for her crochet entry, a handbag made from used plastic shopping bags and Judith Behrens took the second place prize for her knitted child's sweater. Also, in the short story category, Betty Daniels was awarded the Best Short Story prize. All of these members' works will go on to be judged at the State level. We are so proud of our members who have taken the time to create works of art to submit for the various contests at the district and state level. We will have their work on display at the Wimbish House so that you may view their work at the Spring Tea in April.

The Peachtree Women's Writers Alliance, sponsored by the Atlanta Woman's Club, will meet on Monday, April 6, 2015, from 7 to 8:30 PM at the Wimbish House. This month will focus on a work in progress by "Author-in-waiting", Lexa King. Lexa will be reading from a current work in progress and we look forward to an open discussion from all in attendance allowing for questions, critiques and commentaries. Please join us whether you are currently writing or have aspirations to explore the process as well as just to spend some time getting to know some of our members more fully in a small group atmosphere. We look forward to seeing you there.
