## February 2016 Issue

### PRESIDENT'S MESSAGE

Clubwomen,

It's February and if you were a member this time last year you know what that means - the reports are in the mail to the State office. Our CSP and committee chairmen spent many hours crunching numbers and writing narratives documenting our projects for 2015. Thank you for your dedication to this time-consuming yet important task.

By now you know one of the service projects during GFWC's annual convention will be volunteering to the Weinberg Housing and Resource Center. The center provides fundamental shelter and food to 275 people each day. Clubs asked to get involved by collecting and sending toiletry items to GFWC's headquarter by June.

Between now and our May meeting, I would like to ask you to bring any item on the list to the meeting. While there are a number of toiletry items listed, I'd like our club to fulfill the feminine hygiene needs and ask you to consider purchasing products in that category.

After the meeting in May, we will ship all donations to GFWC's office. If you would like to make a cash donation, please follow the [instructions](#) and mail directly to GFWC.

Finally, the official call for Fifth District meeting is included in the newsletter. I look forward to you joining me on March 17, 2016.

Judine B. Heard  
President, 2014-2016

**Welcome New Members!** AWC welcomed three (3) new members in January. Below please find their bios, as always it's very important to learn as much as you can about AWC's new members in an effort to get them involved in AWC service projects right away. "Involve, Engage & Connect!" Welcome to The Atlanta Woman's Club Elizabeth, Beverly and Mia!!

Elizabeth Jeffress Thorsteinson, originally from Virginia, has lived in Atlanta for six years. She moved to Atlanta to complete her graduate work in Neuroscience. After recently buying a house in Midtown with her husband, Ryan, Elizabeth finally came to terms with Atlanta being "home" and that she should begin to set down roots. Her mom, a thirty-year Clubwoman in Virginia suggested she visit the Woman's Club in Atlanta. Elizabeth was excited to meet the women of the Atlanta Woman's Club and looks forward to joining the club. Elizabeth has fond memories of clubwork with her mother and wishes to begin giving back to the local community, especially now that her schedule is more predictable as an Adjunct Professor at GSU and Agnes Scott College.

Mia McCaskill born April 9, 1986, in Jacksonville, Florida. I am married to my best friend David McCaskill. We have two great children Maria Bella 9 and David Maximus 6. My life in Atlanta began when I enrolled in Bauder College to obtain a degree in Fashion Design. I graduated with an AA in Fashion in 2006.

Although my artistic passion was strong I was not yet established enough to provide for my family. Through various friendships and opportunities I was connected to a job with Fulton County Superior Court Clerks Office in 2008. I begin in the Real Estate department (which connected me to Phoenix Flies then connecting me to AWC). I have always enjoyed

challenges which encouraged me to transfer to the Courts department.

## MEMBERSHIP CONT'D

Working with the Superior Court Clerks Office changed my life and goals for the better. Having such negative documented papers was very disturbing to me; especially because these were local people. I begin to inquiry of how to get involved with changing these issues that plague the city I live in. I got involved from establishing gardens with inmates, volunteering with Clerk opportunities. I resigned from my job with the Clerks Office to regain my focus and goals in 2013. With I time off I continued to connect and be involved with community sustaining efforts. With almost 2 years regrouping I've accepted a position with Fulton County State Court. My bio is incomplete and I like to keep it that way. I believe my life is an incomplete art that is ever unfolding.

Belinda Allen

Belinda Allen is a native of Rock Island, Illinois, but have now lived in Atlanta, Georgia longer than I did in my home town. My favorite things about moving to the South include sweet tea, collard greens and southern literature. My appreciation for Atlanta was deepened by my early involvement in the Atlanta Preservation Center and Atlanta History Center – Current Historians, including helping develop the APC Ansley Park Walking tour and training the initial volunteers.

I am an active patron of the Arts, including the High Museum of Art, the Atlanta Symphony Orchestra, Michael C. Carlos Museum @ Emory, and the Theatrical Outfit, among others.

I work for AT&T as a Legislative and Regulatory Compliance Manager.

I am married and have 2 children and 2 stepchildren, all in high school or college. I stay very busy outside of work through tennis, volunteering for the Everybody Wins reading program, and attending every concert I possibly can by the ATLCollective and The Shadowboxers. (Please ask me about them!).

Welcome Ladies, we look forward to you working with you and sharing your talents with us!

### **Membership Orientation – Sunday, March 13th, 2016**

You are invited to attend our next Membership Orientation scheduled for Sunday, March 13th, 2016, noon at the Club. A casual lunch and beverages will be provided. This orientation will hopefully provide you the information you need to become more active within our organization. We will review our history, our affiliations, procedures, bylaws, standing rules, etc. Upon receipt of your rsvp, we will send you a copy of our handbook, bylaws and standing rules. Please review them if you have time and we welcome your questions. I'd like this orientation to be informative and interactive.

RSVP by clicking this link or copying it onto your browser: <http://awc-membership-orientation-march-13.eventbrite.com>. Should you have any questions, please don't hesitate to contact [cimi.douglass@gmail.com](mailto:cimi.douglass@gmail.com).

## PHOENIX FLIES

Plans for the March 8 and 15 Phoenix Flies Tours, at the historic Wimbish House, are progressing nicely. This year's Phoenix Flies event is again being coordinated by AWC members, Elvina Calland and Penny Blackford and new member Adam Leigh. Atlanta Preservation Center (APC) who is the creator and sponsor of the Phoenix Flies Tours began this event in 2003. This will be the AWC's sixth consecutive year as a site host.

This event opens the Wimbish House to the public and shares the Atlanta Woman's Clubs' history through the decades from 1895 to the present.

Last year's volunteers are being contacted first to see if they wish to participate again this year. To date, the following members in addition to the coordinators have signed up to participate in this exciting event: Judine Heard, Cimi Douglass, Karen Bacheller, Vanessa Lauren Massie, Page Henry, Judith Behrens, Barbara Culmer-Ilaw, Pat Walsh, Billie Harris, Lisa Banes, Morgan Foster, Tonya Watson and Carol Boaz..

A newsletter article was submitted for January's newsletter and arrangements are being made for volunteers to be fitted for period costumes and for costumes to be picked up and returned as well as volunteers confirming last year's room assignments for both days of the tour.

If all room assignments cannot be filled by last year's participant's members will be notified. If interested in a possible vacancy please contact Penny Blackford at [blackforp@bellsouth.net](mailto:blackforp@bellsouth.net) or Elvina Calland at [ecalland@bellsouth.net](mailto:ecalland@bellsouth.net).

## OPERATION P.E.A.C.E.

For more than 20 years, Operation PEACE Inc. has served Old Fourth Ward (O4W) residents living in the Village of Bedford Pine community. This in-town neighborhood has one of the highest concentrations of Section 8 subsidized housing in the Southeastern United States. There are over 1,300 residents in the Village of Bedford Pine; statistics reveal that 96% of households are female-headed; 48% of the population is under the age of 18 and 99% of the households have an annual income of below \$10,000. In addition, local schools continue to underperform and therefore there is a need to ensure students get additional academic enrichment and families get additional support to overcome extraordinary challenges and obstacles to success and self-sufficiency.

Operation PEACE is seeking support for their annual signature fundraiser **The Mardi Gras @ the Masquerade. The event will be held on Saturday, February 6, 2016 at Masquerade, 695 North Avenue N.E., Atlanta, Georgia 30308 from 9:00 p.m. to 12 a.m.** Early bird tickets can be purchased by January 15, 2016 for \$60, and sell for \$75 thereafter. This annual fundraiser is loads of fun, guests dance the night away to the sounds of a live band; A Pryor View Experience will play a variety of genres including Rhythm & Blues and New Orleans Jazz. The event features a silent auction, great food and signature. Get your tickets today at <https://www.eventbrite.com/e/mardi-gras-masquerade-2016-tickets-19225781831?aff=es2>.

I would like to begin with why I would like to become President. As most of you know, AWC is my hobby and my great passion. It gives me a sincere sense of purpose in my life to know that I am contributing to an organization that does so much for so many. I love the possibilities of continuing to grow this organization and challenge to make it better. I love the fact that I can lend my talents to assist this organization in making a difference not only by attempting to make our club more efficient which impacts the charities financially, but how we can also impact our members and the guests who visit us. AWC is a constant reminder to those that are stuck in the day to day rat race that they can squeeze out a little time and give back in some way—that's our mission, to encourage our members to become active within the community. I'm extremely proud to say that we fulfill that mission each month by offering service opportunities and by inviting

## NOMINATING COMMITTEE

We have a new incoming State President which I suspect will make some positive changes within the State. AWC should have a representative involved within GFWC Ga in order to gain firsthand knowledge of all proposed changes.
