May 2015 Issue

PRESIDENT'S MESSAGE

Ask any member why they got involved with our club and you will hear many reasons. However, one reason that stands out and it is a desire to volunteer and serve our community. GFWC Atlanta Woman's Club has a long history of servicing the needs our community. Most of our volunteer time is a result of our Community Service Program committees. It is in the committees that programs are planned for the year. A lot of time and effort put into preparing programs. I cannot emphasize enough the importance of joining one or more committees.

Our May meeting, as in the past, is our business meeting. At this month's meeting, our committee chairmen will highlight activities and funds we donated last year. Please make plans to attend the meeting. I'm sure you will be pleased to hear what we accomplished last year.

LEADERSHIP QUOTE OF THE MONTH

“The secret of a leader lies in the tests she has faced over the whole course of her life, and the habit of action she develops in meeting those tests. To be tested is good. The challenged life may be the best therapist. “ –Gail Sheeny, Author

ARTS

At April's meeting of the Peachtree Women's Writer's Alliance, member Lexa King read an article she had just written tentatively titled "Transformation" to the group for feedback. At the next meeting, member Karen Johnson will share her writing with the group. Our Writer's Group seeks to be a supportive, comfortable environment for sharing work of our writing members and educating ourselves about writing. We meet the first Monday of every month at 7 pm

The warm, sunny days of May inspires us all to plan many outdoor activities such as boating, motorcycle, bicycle and car rides. The National Highway and Traffic Safety Administration (NHTSA) and the National Safe Boating Council (NSBC) are campaigning for safety in May.

May 16 is “Ready, Set, Wear It” Day, which is a worldwide event that encourages boating enthusiasts to wear their life vests on that day. May is also Motorcycle Safety Awareness Month and Bicycle Safety Month.

May 18-24, Buckle Up America Week: Statistics show that the majority of car occupants wear seat belts in the day, but after 6 p.m., they are less likely to remember to buckle up. Between May 16 and 31, law enforcement officials will be cracking down on car occupants that do not wear seat belts.

May 16 is also Armed Forces Day, when we honor and thank military members for their service. One way we can show our support for our veterans is helping out the organization, Pets for Vets. They provide companion dogs for veterans that need them. As soon as we find out more about their work, we will let you know about volunteer opportunities with the local chapter of Pets for Vets.

EDUCATION

Kedra Gotel, CSP Co-Chair

Donna Foland, CSP Co-Chair

Speakers at Hope-Hill Elementary. On Friday, April 3rd the Education CSP hosted Dr. Louis Sullivan and April McConnell at Hope-Hill Elementary School. Dr. Sullivan began the fireside chat by giving the fourth and fifth graders insight about his personal and professional life. Dr. Sullivan shared fond memories of his childhood in Atlanta and South Georgia. He gave inspiring words and a chronological timeline about his humble beginnings and the dedication required to complete medical school, his residency in Boston, Massachusetts and his commitment to becoming one of the founding members of Morehouse School of Medicine. Dr. Sullivan's book, "Breaking Ground" was given to the students as prizes for correct answers to trivia questions about his life. In honor of Dr. Sullivan, Hope-Hill Elementary received a generous donation to support its educational efforts. In addition, the Education CSP expressed its gratitude for the staff by giving 53 staff members a personal, handwritten thank you card. They also received gift cards with a value of \$10.00.

April McConnell, the Assistant District Attorney seriously injured by her late husband, came and shared her views on education with the fourth and fifth graders as well. Ms. McConnell encouraged the children to pursue their dreams but more importantly to complete their education. She reminded them that education is the foundation to success and that each of them is responsible for their own level of success. In addition to her motivating words, April signed books as well. Overall, the children were happy to receive such awesome insight about both Dr. Sullivan and Ms. McConnell's lives. At the close of the ceremony, all of the children were provided healthy snacks with an AWC insignia. A total of five club members were in attendance.

Upcoming Events. We will sponsor a summer reading event at the Martin Luther King, Jr. library located at 409 John Wesley Dobbs Avenue, Atlanta, Georgia 30312. The Education CSP anticipates donating \$300.00 to the summer program which will directly benefit the children who reside in the Historic Old Fourth Ward District. We will continue to volunteer time and resources to Operation Peace. Operation Peace is another summer reading program which receives strong support from Councilman Kwanza Hall as well.
